

SKILL EVENT OVERVIEW

Each chapter may only submit teams who are members from active local chapters, on record in the national center as having paid membership dues by SBLC of the current school year in each event. Teams consist of 1-3 members. Each member can participate in two (2) skill events.

Number of Conference Attendees	Number of Eligible Teams
1-59	3
60-89	4
90+	5

Documents produced for this event must be prepared by the participant without help from the adviser or any other person.

No reference materials are allowed, except for the FBLA-PBL Format Guide and any reference noted in event descriptions.

Calculators are not allowed on the production portion of the test.

Specific instructions will be included in the skill event packet.

Although proctors are not required for any portion of skill events, members are expected to follow the FBLA-PBL Code of Ethics (see Chapter Management Handbook) and uphold the integrity and respect of this prestigious organization.

Each test will be conducted through the FBLA-PBL Online Testing Program. Passwords, login information and web address will be distributed to chapters upon receipt of competitive events rosters. Online testing will **NOT** be offered on-site. **NO EXCEPTIONS.** The online testing window will be available from March 21-28. The production testing window will be available from March 14-21.

The first and second place winner in state competition will represent California at the National Leadership Conference.

Members who have competed in events at the national level are not eligible to compete the following year at SBLC in those respective events. EXCEPTION: Members of team presentation events are allowed to compete the following year in the same event if they are not on the same team.
